

GLOBAL REGULATORY PARTNERS JOINS THE ASSOCIATION OF JAPAN INDUSTRIALISTS CLUB - TOKYO

Press Release: October 29, 2025

Tokyo, Japan: **GLOBAL REGULATORY PARTNERS GK ("GRP")** is pleased to announce that it has officially become a member of the Association of Japan Industrialists Club - Tokyo (東京産業人クラブ, Tokyo Sangyojin Club) and its Women's Division as of October 28, 2025.

GRP is honored to be accepted into the Association of Japan Industrialists Club - Tokyo, which has traditionally been composed of Japan's domestic enterprises. Through this membership, GRP will actively contribute to the Club's initiatives by sharing its global expertise in healthcare business management, leadership and market access.

"This membership represents a meaningful milestone for GRP," said Dr. Suzan Davis, President and CEO of GRP. "It reinforces our long-term commitment to supporting Japan's healthcare industry and Japanese patients by fostering international collaboration, knowledge exchange and expertise in bridging innovation and access"

APPRECIATION AND TRIBUTE TO THE LATE MS. YAEKO SAGAWA

GRP extends its heartfelt gratitude to the late Ms. Yaeko Sagawa, President of Sakura Golf Corporation, and Deputy Chairperson of the Tokyo Industrialists Club. Her encouragement and endorsement were instrumental in GRP's acceptance into the Club and its Women's Division. Ms. Sagawa's dedication to empowering women entrepreneurs continues to inspire future generations. GRP honors her legacy with deep respect and appreciation.

ABOUT THE TOKYO INDUSTRIALISTS CLUB

Founded in 1955, the Tokyo Industrialists Club unites leaders from Japan's manufacturing and business sectors to promote innovation, collaboration, and sustainable growth. With over 70 years of history, the Club supports small and medium-sized enterprises (SMEs) through lectures, study groups, factory tours, and international exchanges. Its Women's Division fosters leadership among women executives and provides a unique forum for professional and personal development.
